

PILLARS OF HOPE

Donation Kiosk

SPREAD THE WORD FOR YOUR COMMUNITY EVENTS

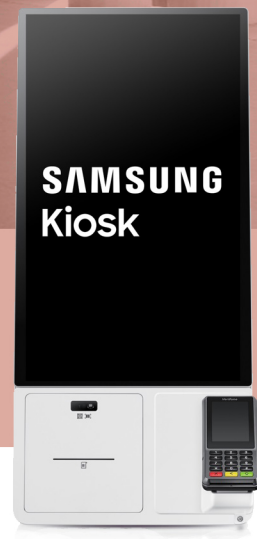

Advertise and promote your community events on the kiosk screen. The kiosk screen displays videos and slideshows of your upcoming community events and information. The vibrant and colorful kiosk screen is another channel of exposure for your community and association to keep guests and visitors in the know.

The kiosk solution accepts transactions in all major credit cards and debit cards. Simple on-screen instructions provide a familiar workflow for anyone to follow.

PILLARS OF HOPE

To be a vessel for hope to reach those in need.

Our goal is to enable more channels for faithful and generous giving to reach those in need of hope around the world.

All donations will be stored along with email donation receipts.

An email transaction receipt is sent to the donor for their own records. Each donation transaction is also stored and available for your records-keeping and donation receipt purposes.

A thank you message is displayed along with a short message to continue the passing on of faith, hope, and love to those around us.
